SCORE FISHING

scoring made simple

Score Fishing takes competitive angling to a new & exciting level, while opening the door to spectators around the globe.

We know the set up & management of any competition, whether it's a one day event or a year long tournament across multiple locations, takes a huge amount of organisation, admin, time & money.

Keep things simple with Score Fishing.

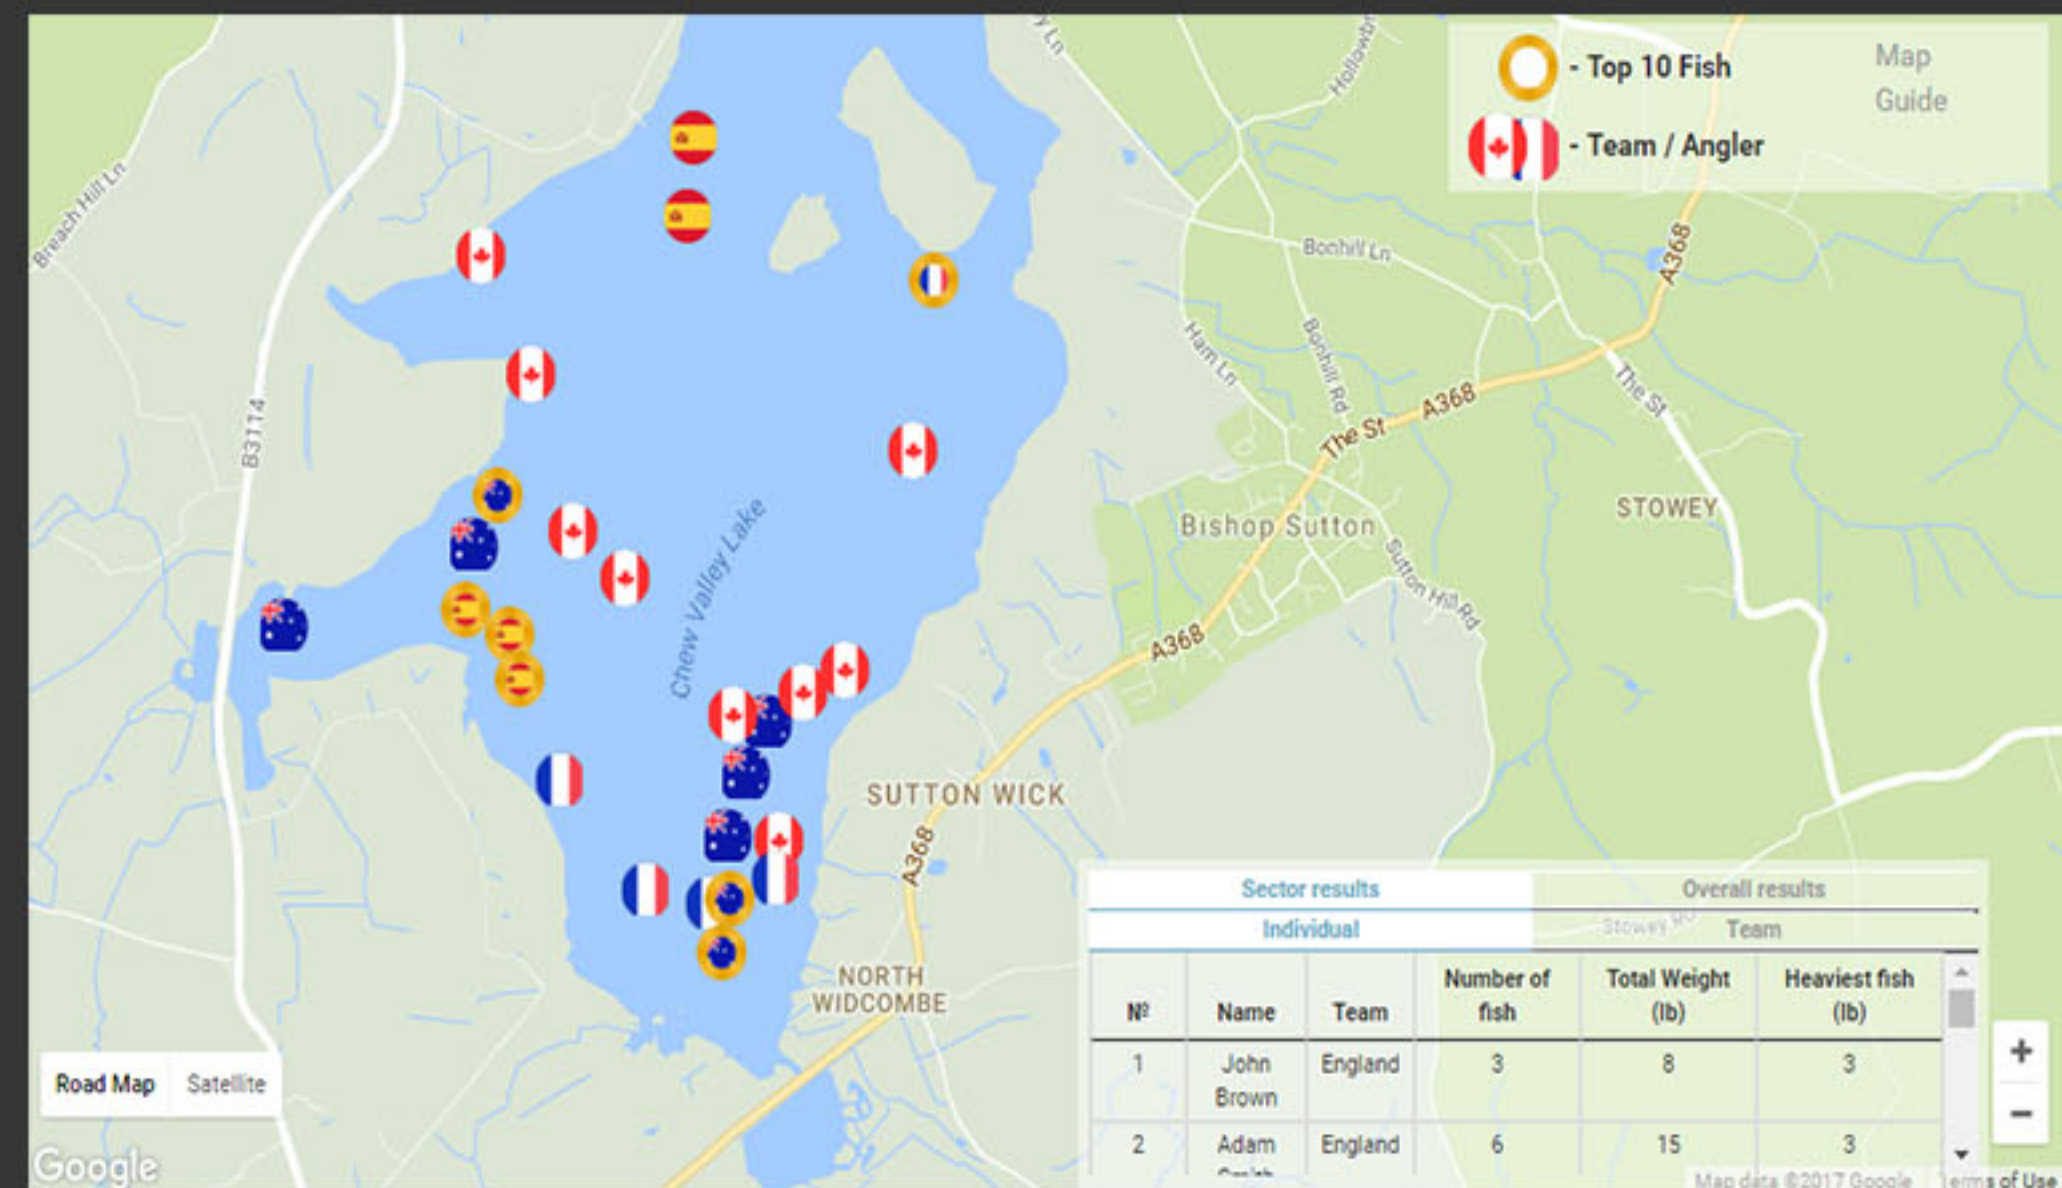

Score Fishing is suitable for all fishing competitions, large or small.

It can be used for competitions on rivers, lakes, canals and the sea.

Events can be simple one-off competitions right through to multi-day, multi-sector, multi-session competitions with teams or individuals.
